

# *Planning Your Programs For The Fall?*

**WE CAN HELP.**

*We have available for you a variety of exciting programs including . . .*

Samuel Imberman's moving colour documentary film "Morning Of The Second Day." It runs 25 minutes and we supply film, projector and projectionist.

Speakers on Israel, Soviet Jewry and Community Affairs.

Audio-visual presentations on Israel and local problems. The first of these, Crisis '72, is available on loan from Sept. 1st.

Newscasts providing up-to-date information on Israel and the local scene. We will provide you with a recorded summary of news-in-review for playback to your group if you provide us with a C-30 cassette.

*For further information, and help in planning your programming, contact:*
